

PEEL REGION MANDURAH MURRAY

The City of Mandurah is a thriving local community approximately 72kms south of Perth, serving the needs of more than 85,000 residents.

Mandurah is the capital of the Peel region and considered to be the gateway to the South West.

Mandurah follows the coast from its northern extremity at Madora to the Ramsar-listed wetland Lake Clifton and Yalgorup National Park 50km to the south.

The city prides itself on a mix of inner city and semi-rural living between the Indian Ocean, the expansive waterway of the Peel-Harvey Estuary and the lower reaches of the Serpentine River.

Voted twice as WA's Top Tourism Town, Mandurah welcomes friends and family from around the globe to enjoy its relaxed coastal lifestyle.

Council is represented by an elected Mayor and 12 elected members representing East, North, Coastal and Town Wards.

Formal Council meetings are held on the fourth Tuesday of each month, and special council meetings are held as required.

Agendas and reports for committee and council meetings are available for public inspection on the Friday before the meeting at the Mandurah Council office, the Mandurah Library, Falcon e-Library & Community Centre, On-line.

At the centre of the Peel Region and within an hour south of Perth, the Shire of Murray boasts over 1,820km² of natural beauty and is home to more than 17,700 residents.

Bounded by the idyllic shores of Herron Point in the West and the adventure town of Dwellingup in the east, the district offers an abundance of leisure and lifestyle opportunities. Follow the waterways which weave their way throughout the district past scenic farmlands and housing developments, to the quaint Pinjarra town centre and the Murray River Foreshore. Branch south to continue to the equestrian playground in Coolup, home to the Murray Regional Equestrian Centre or north past the iconic, heritage locations of Edenvale Homestead, Old Blythewood and Fairbridge Village.

Murray is home to enticing residential estates from urban hubs and canal living to rural residential, all offering a relaxed country lifestyle with convenient transport links to the freeway and several large urban centres.

The Shire is grounded by its history and rural charm, and secures the district's future through infrastructure development and strategic investment in tourism and industry.

Council is made up of nine Councillors represented by a Shire President and Deputy Shire President.
